

2023 2nd International Conference on Big Data Modeling and Optimization

Rome, Italy | October 14-16, 2023

BDMO 2023

www.bdmo.org

2023 2nd International Conference on Big Data Modeling and Optimization (BDMO 2023) will be held in Rome, Italy during October 14-16, 2023.

BDMO 2023 aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government to discourse on research and development, professional practice in big data modeling and optimization. Welcome scholars and researchers working in the field of big data modeling and optimization from all over the world to attend the conference and share your experiences and lessons with other enthusiasts, and develop opportunities for cooperation.

Publication

Submissions will be reviewed by the conference committees and **IJMO** editorial board, and accepted papers will be published in the IJMO, which will be indexed by **ProQuest**, **Crossref**, **Electronic Journals Library**, **Google Scholar**, **INSPEC(IET)**, **EBSCO**, **CNKI**, etc.

Call for Paper

All honourable authors are kindly encouraged to contribute to and help shape the conference through submissions of their research abstracts and papers to BDMO. Topics of interest for submission include, but are not limited to:

- Big Data Applications
- New Computational Models for Big Data
- New Data Standards
- Social Data Analytics
- Social Web Search and Mining
- Big Data as a Service
- Big Data Infrastructure
- Big Data Search and Mining
- Big Data Security, Privacy and Trust
- Cloud/Grid/Stream Computing for Big Data
- Data and Information Quality for Big Data
- Deep Learning and Big Data
- Information Visualization
- Edge Computing
- In-Network Data Processing
- Energy-Efficient Computing
- In-Memory Databases

More topic of call for paper, please visit the web.:<http://bdmo.org/cfp.html>

Contact Information

Conference Secretary: Chris Zhang

Tel.:+86-191-5889-7842 (Wechat)

(Working hour: GMT+8, 9:30AM-5:30PM; Mon.-Fri.)

E-mail: bdmo_conf@outlook.com

Submission

All submissions will be peer reviewed and evaluated based on originality, technical and/or research content/depth, correctness, relevance to conference, contributions, and readability. Submissions will be chosen based on technical merit, interest, applicability, and how well they fit a coherent and balanced technical program.

Submission Methods:

1. Online submission system:

<https://www.zmeeting.org/submission/bdmo2023>

2. Email Submission: bdmo_conf@outlook.com

Important Date

Submission Deadline	May 20, 2023
Notification Date	June 15, 2023
Registration Deadline	June 30, 2023

About Rome

Rome, Italian Roma, historic city and capital of Roma provincia (province), of Lazio regione (region), and of the country of Italy. Rome is located in the central portion of the Italian peninsula, on the Tiber River about 15 miles (24 km) inland from the Tyrrhenian Sea. Once the capital of an ancient republic and empire whose armies and polity defined the Western world in antiquity and left seemingly indelible imprints thereafter, the spiritual and physical seat of the Roman Catholic Church, and the site of major pinnacles of artistic and intellectual achievement, Rome is the Eternal City, remaining today a political capital, a religious centre, and a memorial to the creative imagination of the past.
